Grade for 2009-2010 _____

Utah 53-11-301 requires documentation of immunization for school attendance.

The Utah Department of Health maintains a voluntary, confidential record system to assist parent/guardian, health care providers, and schools in documenting your child's immunizations. This record system is called the Utah Statewide Immunization Information System (USIIS). Allowing your child's school to share your child's immunizations history with USIIS will aid your child's health care provider, and the school to be determined with immunizations your child has received and which may still be needed.

Many students' information may already be in the USIIS system. It may have been recorded by the health care professional that administered the immunizations. This form only allows us to input additional immunizations in the system so that we have a method of tracking your child's immunizations.

_____ I **give** my permission for the school to share my child's/ legal dependant's immunization information with USIIS.

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Liberty Academy, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Liberty Academy may disclose appropriately designated "directory information" without written consent, unless you have advised Liberty Academy to the contrary in accordance with Liberty Academy procedures. The primary purpose of directory information is to allow Liberty Academy to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets (i.e. weight and height of wrestling team members)

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories names, addresses and telephone listings unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

Liberty Academy has designated the following information as directory information:

- Student's name
- Participation in officially recognized activities and sports
- Address
- Telephone listing
- Weight and height of members of athletic teams
- Electronic mail address
- Photograph
- Degrees, honors, and awards received
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- The most recent educational agency or institution attended

If you do not want Liberty Academy to disclose directory information from your child's education records without your prior written consent, you must notify Liberty Academy in writing by 9/1/2009.

I have read, understand, and agree to comply with the policy described above.
