

INTENT TO RE-ENROLL FOR 2010 - 2011

Dear Parents, Guardians, and Students,

Liberty Academy is starting the enrollment process for the 2010-2011 school year. According to Utah state legislation, **we will need a decision by February 19, 2010**, for our currently enrolled students. If this form is not returned by February 19, 2010, it is determined that your student's space at Liberty is unclaimed and will be offered to a new student wishing to enroll. Should you choose NOT to return to Liberty, please list the new school your student will be attending so we will be able to forward your student's records.

[Note: If you are interested in enrolling a new student, you will find an Application for the Waitlist on the school website: www.libertyacademycs.org.]
